Based on the call for action and other priority areas contained in on A/Res/73/4, please provide an indication of your entity's/organization's/government's proposed focus in the remaining life of the SAMOA Pathway. What outcomes are you seeking to achieve? **(1500 words)**

NIL

What specific actions, if any will your entity/organization/government take to address any of the gaps and challenges identified in the political outcome (paras 15 ~29), section on "Call for Action" in the document A/RES/74/3²? **(1500 words)**

NIL

² The document can be accessed at <https://undocs.org/en/A/RES/74/3>

Data and statistics remain a significant challenge for SIDS. It hinders the ability of SIDS to report on key international commitments. Most SIDS are currently able to report on less than 50% of the SDG indicators. Please give an indication of any proposed targeted action at national or sub regional levels, to address this area in SIDS (**1000 words**)

NIL

4. Financing for Sustainable Development in SIDS

Access to low cost development financing is a longstanding concern and priority for SIDS. Please indicate any plans or approaches which your entity/organization/government may have to support or enhance SIDS access to concessional finance, including the broadening partnerships, to address capacity constraints and enhance SIDS ability to mobilise, manage and spend financial resources from a wider array of sources (**1500 words**).

NIL

Please elaborate on any specific plans or programmes at national and or sub regional levels to support SIDS to explore approaches and financial instruments that can help SIDS maximise resources for sustainable development from a broader array of resources, in particular through innovative financial instruments such as green bonds, blue bonds, and blending arrangements (**1500 words**).

NIL

5. Climate Change and Disaster Risk Resilience

Please elaborate on any specific or planned programmes which your entity/organization/government intends to engage to support SIDS to build climate resilience, including building back better in the aftermath of disasters? (**1000 words**)
